ABOUT LOSTNOTE

LOSTNOTE is a Boulder area-based pop rock / alt-pop act blending the emotional pull of The 1975 with the energy of LANY and the edge of Bleachers.

Built around strong hooks, cinematic production, and a focus on live energy, LOSTNOTE is preparing its debut run of shows across Boulder and the greater Denver area.

Focused on connecting through honest lyrics and anthemic melodies, LOSTNOTE is here to create unforgettable live experiences.
